Ownership History

Land Enquiry Services can provide the ownership history of a property, showing the transaction details of lodgements made with Landgate that has changed the proprietors.

Searching in Land Enquiry Services

Open Land Enquiry Services and select 'Ownership History'.

Select the desired enquiry option to search the criteria you have available and then select 'search'.

A screenshot of the 'Ownership History Search' form. The form has a title 'Ownership History Search' and a section for 'Enquiry Options'. There are five buttons for enquiry options: 'Current Address', 'Ex-Owner Name', 'Lot on Plan', 'Certificate of Title', and 'Crown Allotment'. Below these are two buttons for search methods: 'Type Ahead' and 'Structured'. A text input field is labeled 'Enter a property address *' and contains the example text 'e.g. 1 MIDLAND Square, MIDLAND 6056'. There are two buttons at the bottom: 'Advanced Search Options' and 'Search'.

Open the Ownership History Information

You can select the results when they appear to launch the Ownership History screen. If the results list more than one property, simply select the results you would like to view more details on.

There are several sections of the Ownership History screen:

- **Title Details** – this section has information about the property that you are enquiring about and should stay static as you navigate the history information
- **Transaction List** – this section lists in chronological order all documents lodged with Landgate that affect the ownership of the property
- **Transaction Details** – this section displays the details of the selected document from the transaction list.

Click on any of the document lines from the Transaction List, to see the information about that lodgement display in the Transaction Details section.
