

Did you know...

Duplicate Certificates of Title
will **no longer** be used
from **7 August** 2023?

This change will...

- ✓ Ensure there is one source of truth - the digital title on the land Register.
- ✓ Remove the need to produce a Duplicate Title to register a land transaction.
- ✓ Simplify conveyancing, document lodgement and registration processes.
- ✓ Result in Duplicate Titles no longer being a legal document.
