#### **Title**

This instrument is Operating Requirements Waiver OR1/2014 – Certifications.

#### **Affected Requirement**

Operating Requirement 10.1(a)(i).

#### **Explanatory Statement**

Under Operating Requirement 10.1(a)(i), an Electronic Lodgement Network Operator (“ELNO”) must ensure that the Electronic Lodgement Network (“ELN”) provides sufficient functionality to enable Subscribers to comply with the Participation Rules.

Under Participation Rule 7.10, a Subscriber to an ELN must comply with the Certification Rules set out in Schedule 3 of the Participation Rules.

It is understood that the wording of the certifications in Release 1 of Property Exchange Australia Ltd’s ELN, known as PEXA (Property Exchange Australia), are not the same as the wording in the Certification Rules contained in the Participation Rules. It is further understood that the certifications will be updated to be identical to the Certification Rules at a time proposed by Property Exchange Australia Ltd and agreed to by the Registrar.

The Registrar is of the view that the variation in wording is not material to the certifications being given.

The Registrar has granted Subscribers a partial waiver of the requirement to comply with Participation Rule 7.10.

#### **Waiver**

Subject to the Conditions, the Registrar grants Property Exchange Australia Ltd a partial waiver of the ELNO’s obligation under Operating Requirement 10.1(a)(i) to ensure that the functionality of the ELN enables a Subscriber to comply with the Participation Rules, to the extent that the functionality must enable the certification set out under the Conditions below to be given by a Subscriber in substitution for Certification 5 that would otherwise be required under the Participation Rules.
