Earth is Art – a new exhibition at Gingin’s Gravity Discovery Centre

A selection of Landgate’s stunning Earth is Art collection will be on show for eight weeks at Gingin’s Gravity Discovery Centre from Sunday, March 28.

Earth is Art is a collection of aerial images that capture the unique beauty of the Western Australian landscape.

Landgate’s Robin Piesse said each image had been hand-selected from Landgate’s extensive image library.

“From the pristine blue of the water surrounding the Abrolhos Islands to the deep reds of the Kimberley, this series is truly a rare and breath-taking showcase of our unique natural heritage,” she said.

All images on display will be for sale.

The exhibition runs until Sunday, May 23 at the Gravity Discovery Centre, Cosmology Gallery, 1098 Military Road, Gingin West.

Opening hours are from 9.30am to 5.00pm every day except Monday. However, the Centre will be open on Mondays during the school holidays.

The cost which covers entry to all Gravity Discovery Centre exhibits and facilities is $15 Adults, $10 Child and $12 for student and senior concession holders.
