

Removing a Proprietor/Owner

A guide to preparing the documents

Preparing a Transfer of Land document to remove a Proprietor/Owner from a Certificate of Title

This step-by-step guide is designed to show you how to prepare and lodge a simple transfer of land document to **remove a Proprietor/Owner** from a Certificate of Title.

If you are completing the forms yourself, we advise you to exercise care as the documents involved are legally binding. A competent professional, such as a solicitor or settlement agent, should always be considered when preparing any land transfer document.

It is important to read through the whole of this information guide. Being familiar with the information provided in the guide will assist if you need to contact Landgate to clarify any part of the process. Useful contacts are listed on the back page.

What you should know about Certificate of Title

Certificate of Title, otherwise known as Title Deeds, are issued by Landgate with one original and the **option** to have a **duplicate** title issued. Original titles are always kept at Landgate. The duplicate title (if issued) would usually be kept by the proprietor/owner or by a lending institution as security for a loan.

Many lending institutions request the **non-issue** of a duplicate title when they register a mortgage. This means that when a property is under mortgage, there is a possibility that a duplicate title has not been issued.

Where a duplicate title has **not** been issued, the original title would include a note in the statements section indicating the **non-issue** of the duplicate title. The note in the statements section would be shown as 'DUPLICATE CERTIFICATE OF TITLE NOT ISSUED AS REQUESTED BY DEALING M149404'.

There are important differences between the original title and the duplicate title. The duplicate title does not show all limitations and encumbrances. For example, caveats, notifications, memorials and property seizure and sale orders are only shown on the original title held by Landgate and not on the duplicate title.

Some limitations or encumbrances (such as those stated above) may prevent the registration of a transfer or other interests on a Certificate of Title. For this reason, it is recommended that a copy of the original Certificate of Title be obtained from Landgate, to assist in completing the Transfer of Land form. We commonly refer to this as a 'title search'. A title search will show if a title has been issued or is **non-issue** and will show the spelling of the names of the registered proprietors/owners.

For a fee, you can conduct a title search and [obtain a copy of the Certificate of Title](#).

What do I need for my Land Transfer

- Verification of Identity (VOI) – the identity of the person(s) signing as transferors and transferees must be verified
- Title Search (recommended) – used to complete the Transfer of Land form
- Forms – Transfer of Land (T1 or T2)
- Office of State Revenue (OSR) for the assessment of (stamp) duty
- Duplicate Certificate of Title (if issued)
- Registration Fees payable to Landgate

Verification of Identity (VOI) – Identifying the transferors and transferees

Do you have a solicitor or licensed settlement agent preparing documents and acting on your behalf? If you do, you should discuss the verification of identity requirements with your solicitor or licensed settlement agent.

If you do not have a solicitor or licensed settlement agent acting on your behalf you are referred to as “a self-represented party”.

A self-represented party is responsible for ensuring their own identity has been independently verified and complies with Landgate's VOI practice. Self-represented parties can have their identity verified at a participating Australia Post office. Australia Post charges a fee for this service. For further information, please refer to: www.auspost.com.au/identity-checks-for-property-transfers.

All of the natural person/s signing the transfer document must be identified, this includes any person/s signing as an attorney or in any other capacity (eg. as a company director).

Verification of Identity in a Foreign Country

For further information on the verification of identity procedures in a foreign country for both electronic or paper-based transactions please refer to: [VOI-03 Western Australian Registrar and Commissioner of Titles Joint Practice: Verification of Identity and Authority. Paper Based Transactions – Foreign Countries](#)

Note: A self-represented party cannot have their identity verified overseas.

Further information on the verification process is available on the Landgate website (click on the following link) <https://www0.landgate.wa.gov.au/for-individuals/property-ownership/fraud-protection/verification-of-identity>.

Title Search – A copy of the current Original Certificate of Title

A title search is optional, however highly recommended, as the search provides you with a complete up-to-date copy of the title at the date and time the title search is conducted.

For a fee, you can conduct a title search online using an address and [obtain a copy of a Certificate of Title](#).

A Transfer of Land Form – (T1 or T2)

A **Form T1** is a one-page form used when there are no more than two transferors and/or two transferees named in the document. A

Form T2 is a two-page form that has larger information panels and can be used when there are more than two transferors and two transferees, or if more information is required in any panel on the transfer document.

Freehold land registration forms are available from a Landgate office or online from the [Landgate website](#).

Please note that only original signed forms can be lodged for registration and all forms must be printed on white A4 size paper in duplex style, so both sides of the paper are printed upon.

Office of State Revenue (OSR) – For the assessment of (stamp) duty

When the transfer form has been completed and signed, the original signed transfer form must be presented to State Revenue at the Department of Finance for (stamp) duty assessment.

NOTE: All transfers must be presented to OSR for duty notation before the transfer can be lodged with Landgate.

Contact details for OSR are listed on the back page.

Duplicate Certificate of Title

- **If issued** and there is no mortgage on the property, the hard copy duplicate title must be produced with the transfer document. NOTE: A photocopy or a copy certified by a Justice of the Peace or a similarly qualified person is **not** acceptable for registration purposes.
- **If issued** and the property is under mortgage the financier holding the mortgage will need to produce the duplicate title to Landgate prior to the lodgement of the transfer document. There is an additional registration fee known as a **production fee** payable to Landgate when the duplicate title is produced separately from the transfer.
- If the status of the duplicate title is **non-issue** and the property is under mortgage then an original signed letter of consent from the financier authorising the registration of the transfer is required. The original signed letter must be lodged with the transfer document.
- If the status of the duplicate title is **non-issue** and the property is not under mortgage, then the original signed Transfer of Land document, together with relevant evidence is all that is required to be lodged with Landgate.

Registration Fees

[View the current Registration and Search Fees](#) that can be paid by cash, credit card, EFTPOS, or by cheque/money order made payable to **Landgate**. Fees must be paid when lodging the document in person or included if posting the documents to Landgate.

Steps to lodging a transfer

1. Complete the transfer form by using the title search. Type or print legibly in dark ink (preferably black) to complete the panels in the transfer form, using the examples in this guide to assist you.
2. Ensure the transfer has been assessed for duty by OSR and a duty certificate is provided or duty is noted on the original transfer form.

4. Ensure there are original identity statements provided for each of the natural persons signing the transfer document. The VOI statements must be the original Verification of Identity letter issued by Australia Post and/or original VOI statements provided by a solicitor or settlement agent.
5. Lodge the original signed transfer form (together with any other evidence that may be required) with Landgate, **ensuring the registration fee payment is enclosed if lodging by post.**
