Register for a Landgate Login

Registering for a Landgate Login provides you better access to some of <u>Landgate's Online</u> <u>Services</u>. Some services such as e-forms requires a Landgate Login before you can use them. As part of the

MyLandgate set up, a Landgate Login must be included on the form as part of the initial application process.

Registering is a 3 step process

Steps to register for a Landgate Login:

*Time estimates based on average customer experience and optimum system functionality.

Step 1

To register, visit the Landgate website <u>www.landgate.wa.gov.au</u> and click onto the Login/MyLandgate button at the top right of the screen, this will take you to a login screen, then select 'Register'.

A personalised email address (e.g. firstname.surname@your-buiness.com) is less likely to be shared and already registered against someone else's name, rather than a group or generic or email address (e.g. sales@your-buiness.com).

In this example, the Landgate Login for Mary Smith will become mary.smith@gmail.com

Complete the form and select the 'Create' button at the bottom right and confirm your details by selecting 'Confirm'.

Step 2

An email will be sent to your email address, requesting activation of the Landgate Login within 24hours. If it does not appear, be sure to check the junk and spam folders.

Please DO NOT REPLY to this email. It was sent automatically from an unattended mailbox
